

# MEET JULIO PEREZ...

The **State Assembly candidate** that insiders and special interests fear most.

You can tell a lot about a candidate by looking at who's for him and who's against him.

**Julio Perez** has always fought **FOR working families** and **AGAINST special interests**. That's why he's supported by thousands of teachers, nurses, and local community leaders.

The defenders of the status quo are lining up to support his opponents - career politicians Michele Martinez and Tom Daly.

Julio Perez has spent his life fighting for working people. It's no wonder the insiders are doing everything they can to get anyone but Julio elected!

# Meet the insiders who are afraid of **Julio Perez**:

**Sacramento  
career politicians**

**Big oil**

**Insurance  
companies**

**Big developers**

**Lobbyists**

**Sacramento insiders, oil and insurance companies, and developers are bankrolling Michele Martinez and Tom Daly**, because they know Julio Perez will fight to end business-as-usual in Sacramento.

**They want one of their own** to help them protect the status quo, and they know fellow insiders Michele Martinez and Tom Daly will do just that – keeping the rest of us on the outside, looking in.
