

VANGUARD  
UNIVERSITY

October 21, 2014,

Steven Danley  
County of Orange  
333 W. Santa Ana Blvd  
Santa Ana, CA 92701

Mr. Danley,

This letter serves as notification to the County of Orange of Vanguard University's intent to cancel the memorandum of understanding signed 8/26/14.

Due to concerns voiced by a few county citizens, it appears prudent to withdraw from the formal agreement so that the university and the county can continue to serve our community as faithful stewards and trusted advocates.

To that end, Vanguard University will continue to offer tuition discounts to interested county employees under the "Professional Colleague" discount program. Employees wishing to learn more about that program can contact the School for Graduate and Professional Studies office at (714) 668-6109.

Per the agreement, the cancellation date is effective 90 days after notification. If the County of Orange wishes to expedite the effective date, Vanguard University will agree to an immediate date.

Please feel free to contact Dr. Andrew Stenhouse, Dean of the School for Graduate and Professional Studies for further discussion. He can be reached at (714) 668-6110.

Sincerely,

Lettie Cowie, Vice President  
Business Operations
